How this all started.

Tori- I met Watermelon through Deviantart after offering to make something for them, we talked via Discord and we became friends overtime. At times she had events where she seemed a bit too attached, but I brushed it off. Things were going well until she admitted to having a crush on me at the time, even though she knew I had a partner at the time and still do, said partner being Ran. The day after I got a message from them with containing some threat of suicide, and more events occur after which will be seen from the screenshots below.

Ran- Watermelon claimed on her Deviant Art publicly that she only vented and in the process she lost her best friend. This racked up some attention from her watchers, in which they drew conclusions wrongly that lead to the creation of this document. This is the vent that she was highlighting, and if it isn't obvious, this is also exactly why my girlfriend backed out. I, Ranartical, take full accountability for the document itself, whilst getting help putting it together and finalizing it with my significant other.

🌾♜🍨ⓡαn🌾♜ Yesterday at 1:48 PM
she's gone, through enough. She can't help.

Watermelon the cat Yesterday at 1:49 PM
why didnt she tell me al this...

🌾♜🍨ⓡαn🌾♜ Yesterday at 1:49 PM
because i'm her partner, i've known her for 3 years, and i've been through that hell with her.

i've sat through our toxic relationship and i've tried everyday and i taught her just as she teaches me.

life is torture.

It's also a journey.

you get tired, but you need to push.

Watermelon the cat Yesterday at 1:50 PM
maybe i dont deserve her...

🌾♜🍨ⓡαn🌾♜ Yesterday at 1:51 PM

i know it would make you happy

Watermelon t...

beyond happy

Watermelon the cat Yesterday at 1:52 PM
yes...

🌾♜🍨ⓡαn🌾♜ Yesterday at 1:53 PM
but, do you know what her life is like? How would she be in that relationship?

Watermelon the cat Yesterday at 1:53 PM
no...

🌾♜🍨ⓡαn🌾♜ Yesterday at 1:54 PM
i know that you love her. I can see it- honestly i was like that at first too. But please, reconsider what effect that it would cause. You say that you're all of these horrible things just because you aren't loved in that special way, but in reality- you need to be loved in a friendship way before you could ever handle being in a relationship. If not, then you'll fall apart.

Watermelon the cat Yesterday at 1:55 PM
i just make bonds with people...just to hurt them in the process...

@ Watermelon t...

🌾♜🍨ⓡαn🌾♜ Yesterday at 1:57 PM

you don't need to automatically think that, but watermelon, i suggest that you yourself get help first- because you really, really need it. If you want others, that needs to happen with time and patience. I know that you don't want to work on yourself, but maybe one day you'll meet someone because you decided to at least take the first steps to helping yourself.

it's truly complicated, but if it means anything at all to you, i believe that you can do it, and i believe that you can get better. I've seen a million lives and i'll watch a million more- but still, if you believe what you've told me- i'll always respect your decision.

Watermelon the cat Yesterday at 2:02 PM

Watermelon the cat Yesterday at 2:07 PM

🌾♜🍨ⓡαn🌾♜ Yesterday at 2:09 PM

Watermelon the cat Yesterday at 2:25 PM

🌾♜🍨ⓡαn🌾♜ Yesterday at 2:26 PM

Your issues are not invalid, you shouldn't feel invalid for your issues. I told you that yes, i've been in your position, because i want to show you that even though, yes, alot is hard and everything seems easiest to just stop- you can still manage to get better.

i'm not steady, or perfect, and i accepted that i'll never be. But i'm happy just getting by.

what may i call you? What are your pronouns? If you don't mind me asking of course.

🌾♜🍨ⓡαn🌾♜ Yesterday at 2:34 PM
I'm sorry that you had to go through all of this, i really am. I understand how it feels, honestly I've been through your situation and i can safely say: you aren't alone with how you feel, haha. I'm sure you're tired.

Watermelon the cat Yesterday at 2:56 PM

in what sense?

like our conversation?

Watermelon t...

Watermelon the cat Yesterday at 3:00 PM
everything in life

🌾♜🍨ⓡαn🌾♜ Yesterday at 3:01 PM
I understand, honestly i don't blame you. If i was in your position, i would undoubtedly do the same. But i want to at least help you out a bit for the time being. You don't have to stick around, no one is forcing you too.

what you do with your life is your business, and you shouldn't have to explain why. I'm just an outsider with a heart, y'know?

Watermelon the cat Yesterday at 3:02 PM
i just hurt people and cry about why no one likes me

🌾♜🍨ⓡαn🌾♜ Yesterday at 3:04 PM
well if you're upset about no one liking you, you have to confront the reason why people might not like you. If it's something trivial like your body, then i'll bash them in. No one gets to say anything about your looks, you are beautiful for one person and one person only- and that is yourself. If people can't respect you for your appearance, and things you can't control, then kindly show ther door.

Watermelon t...

Watermelon the cat Yesterday at 3:04 PM

im not beautiful

people make fun of my all the time at school

🌾♜🍨ⓡαn🌾♜ Yesterday at 3:05 PM

well, people will do that. People like to nitpick you and pull you apart just to see you hurt, but they shouldn't have a say. I bet you are lovely, and they don't see the best in you simply because they don't know you.

there opinions are worthless.

Watermelon the cat Yesterday at 3:11 PM

why do you still choose to help me

why not just leave me in the dirt...

🌾♜🍨ⓡαn🌾♜ Yesterday at 3:13 PM

Because in all honesty, i do want to watch you get better. Even if it does take forever, i want to tell you that you still have all of this time, and even when it seems pointless, you can make it better.

Watermelon t...

Watermelon the cat Yesterday at 3:21 PM

it's pointless

you can't teach an old dog new tricks

i wish you never reached up to me or even tori telling you about me...

🌾♜🍨ⓡαn🌾♜ Yesterday at 3:25 PM

I respect your decision, always. But please, if you regret it so much, don't reach out to tori again. she genuinely gets worried, so she tells me. She tells me because I'm more capable of helping. She's on a break for a reason. She'd avoiding these problems because of her mental health.

if you need help, i can only offer my time and patience to you.

Hey, after actually, alot of thought, I think it's best that I personally don't try to stick around. As much as i'd love to help you and be your friend, i'm not in the mental place to do it. I believe in you, to become someone better. Just because i'm saying i *can't* help doesn't mean that i wouldn't want to, because i do. You mean alot, even if I hadn't known you for more than a couple hours, please remember what i said. You do matter, it takes time. School and bullies, i know it's overwhelming, but it is temporary. I'm sure that your friends would love to help you if you just opened up *with* a warning. Remember to ask for consent, that is crucial. And have a good rest of your day, alright?

Can you not?

Excuse me, when I left you that message I did not ask you to run to your community and throw it onto them that we are bad people. I will not tolerate you going around and allowing these people to just assume the worst of the situation. I advise you give the full context if you're going to be posting about this, and if not, I will be forced to post the full conversation including your side as well. This was not one-sided, I will not let you do this. This isn't fair to us as you need to respect our decision. This matter should have been kept between us, at most would have been your friends. But seriously? If you're going to publicly violate our privacy and our choice, then I will have no hesitation to show exactly why we decided, as a COUPLE, to leave you. This is beyond disrespectful and insulting. It shows that you took nothing that we spoke about into at least consideration.

I expect to hear back from you, either through words or through actions. Please, all we ask is that you don't paint us as the wrong ones.
